*This information is for guidance only and does not state the complete law.*

This form must be completed and filed by April 15 of this year. The tax for each year is based upon the taxpayer's net income for the previous year. A reasonable extension of time for filing this return may be granted by the Director of Revenue. When an extension is granted, the taxpayer is required to pay, as part of any tax due, interest thereon at the rate determined by Section 32.065, RSMo from the day when such return should have been filed, if no such extension had been granted. You can obtain the annual interest rate at [www.dor.mo.gov/tax](http://www.dor.mo.gov/tax). Pursuant to Regulation 12 CSR 10-10.070, an extension of time may not exceed 180 days from the due date of April 15. A copy of your Federal Form 1120 or 1120S must be attached to the Missouri Savings & Loan Tax Return.

You are urged to review the state law prior to the completion of this tax return, since the Internal Revenue Code and the state law differ in the accounting for various transactions.

The association shall complete Form 2331, Schedule B listing the address of each office or branch and showing the total dollar amount of savings account, deposits and/or repurchase agreements of each office or branch and the total for the association. If an association has an office or offices outside the State of Missouri, the total of the dollar amount of deposits and accounts at an office or offices outside the State of Missouri shall be excluded in determining the total deposits and accounts of the taxpayer. **SCHEDULE B MUST BE COMPLETED AND SUBMITTED WITH THE SAVINGS AND LOAN TAX RETURN.**
